The Mansion

Our breath-taking Mansion is sure to *wow* guests on their arrival. Our suppliers can cater for up to 132 for your wedding breakfast and up to 180 evening guests. As you anticipate the arrival of your guests and the moment your eyes meet with your soon to be husband. Our Manor Suite provides an exclusive suite with perfect lighting and ample space for the entire bridal party to relax and get ready in the hours leading up to the big event. There is a private dressing room with an array of mirrors to allow the dress to be viewed from all angles. The Manor Suite provides a relaxing atmosphere, with plump sofas and picturesque views. The perfect start to your wedding day.

Step back in time as your guests arrive at the Mansion and into the Main Hall fit for royalty. Bespoke paintings cover the walls and ceilings alongside the most intricate sculptures normally seen in museums across the world. The balcony creates a wonderful atmosphere as your guests gather for reception drinks or dancing. Our inbuilt dance floor and easy access to our event bar makes the perfect place to celebrate the new Mr & Mrs as the sun sets.

Just off the Main Hall is our Main Dining Room designed by Robert Adam in a neo-classical style. The ceiling art was the work of Giovanni Battista Cipriani during the 18th century and provides a wondrous sight as the room stretches across the full depth of the house.
